

The LATIN PROPHECY.

BONUM OMEN

Ex

Augustissimæ Domus Austriacæ Inscriptione.

A. E. I. O. U.

Austriaci **E**runt **I**mperii **O**tomanici **V**ictores.

Sed quando?

*Tum quando A. E. I. O. U. Vocales fuerint Consonantes :
nempe quando in unum Fœdus contra Turcas consentient
sequentes.*

Austriaci, **E**manuel Dux Baviaræ, **I**ohannes Rex Poloniae,
Odeschalchus summus Pontifex, **V**eneti.

Atqui

*Hoc secundum jam est factum per Dei gratiam singularem ;
Ergo sperandum est primum, unde demum verificabitur,*

Austria **E**rit **I**n **O**rbe **U**ltima.

Tria miranda.

Omnes Christiani sumunt Arma contra Turcas,

Præter Christianissimum ;

Omnes Filii Ecclesiæ parant bellum contra Turcas,

Præter Primogenitum :

Omnia Animalia laudant Deum ob partas à Turca Victorias,

Præter Gallum.

Tria alia magis Miranda.

Catholicus magno fervore oppugnat Christianissimum ;

Christianissimus persequitur Catholicum ;

Turca defendit in Hungaria CHRISTI Evangelium.

A FAIR OMEN

From

The Inscription of the most August House of *Austria.*

A. E. I. O. U.

To the **A**ustrian **E**mpire the **I**nterests of the **O**toman
shall **V**ail. But when ?

Then when the *Vowels A. E. I. O. U.* shall be *Consonant :*
That is to say, When these following agree to spell a
League against the *Turks.*

The **A**ustrian House, **E**manuel Duke of *Bavaria*, **I**ohn
King of *Poland*, **O**deschalchus the *Pope*, the **V**enetians:

But,

The **L**atter, by the special favour of **G**od, is brought to pass ;
The **F**ormer therefore is to be hoped : that it may be verified,
The *Austrian* Empire shall be the **L**ast in the **W**orld.

Three Marvels.

All the *Christians* arm against the *Turks*,

But the *Most Christian :*

All the *Sons* of the *Church* take the Field against the *Turks*,

But the *Eldest :*

All *Creatures* sing *Te Deum* for the Successes against the *Turks*,

But the * *French.*

Three greater Marvels.

The *Catholic King*, with great heat, opposes the *Most Christian :*

The *Most Christian* King presses the *Catholic :*

The *Turk* in *Hungary*, asserts the *Gospel* of **CHRIST.**
